Strategic Report for the period from 17 September 2023 to 14 September 2024

Review of the business

The principal activity of ABF Overseas Limited (the 'Company') is that of a holding company within the Associated British Foods plc group (the 'Group'). The principal activities of the subsidiaries were the processing and manufacture of food and food ingredients, and textile retailing.

During the period the principal activity of the Company remained unchanged and the directors anticipate that the Company will continue to operate on the same basis.

Principal risks and uncertainties

A full description of the principal risks and uncertainties applicable to the Associated British Foods plc group, of which the Company is a subsidiary, are disclosed on pages 78 to 86 of the Associated British Foods plc 2024 Annual Report, which is available at www.abf.co.uk

Trading results

The Company's result for the year is reflected in the income statement on page 9. The profit on ordinary activities after taxation was £679m (2023: profit of £111m).

Engaging with our stakeholders - section 172 statement

The directors are required to act in a way which they consider, in good faith, is most likely to promote the success of the Company for the benefit of its members as a whole and, in doing so, have regard (amongst other matters) to the matters set out in section 172(1)(a) to (f) of the Companies Act 2006.

The Company is a subsidiary of Associated British Foods plc ('ABF') and, as such, the Company has adopted, and the directors have due regard to, applicable group policies and procedures which impact on the Company's stakeholders. Please see the Associated British Foods plc section 172 statement on pages 48 to 53 of the ABF 2024 Annual Report.

Stakeholders and engagement

The key stakeholders with whom engagement is fundamental to the Company's ongoing success are:

- subsidiaries of the Company; and
- its shareholder.

Subsidiaries of the Company

The Company is part of the group headed by Associated British Foods plc and the Company's accounts are consolidated in the Associated British Foods plc Annual Report. Group companies provide financial and other support to each other and the sharing of best practice and know-how between the businesses within the broader group is actively encouraged.

Shareholder

The Company reports to its shareholder and ultimately to the board of Associated British Foods plc. The Company takes steps to ensure that its shareholder is kept up to date on key business activities and decisions.

UK Mandatory Climate Disclosures

The Company is not required to make mandatory climate disclosures under The Companies (Strategic Report) (Climate-related Financial Disclosure) Regulations 2022. It qualifies for the exemption in section 414CA of the Companies Act 2006 as it is a subsidiary of Associated British Foods plc, which makes climate-related financial disclosures in line with the Task Force on Climate-related Financial Disclosures ('TCFD') that include the Company. Associated British Foods plc's TCFD disclosures can be found on pages 66 to 77 of the ABF 2024 Annual Report.

Directors' Report for the period from 17 September 2023 to 14 September 2024

The directors present their Annual Report and the Audited Financial Statements for the period from 17 September 2023 to 14 September 2024.

Dividends

Dividends of £1,773m were declared and paid in the period (2023: nil). The directors do not recommend the payment of a dividend.

Going concern

The Company has received a letter of support from its immediate parent company, ABF Investments plc, indicating that it will receive the financial and other support necessary for the Company to trade and meet its liabilities as and when they become due for a period of twelve months from the date of signing of these financial statements.

After making enquiries and considering the support available from the immediate parent company described above, the directors have a reasonable expectation that the Company has adequate resources to continue in operation for 12 months from the date of signing of these financial statements. These considerations included the ABF group's directors' assessment of going concern (set out in the ABF Annual Report dated 5 November 2024 and available at www.abf.co.uk), which included the significant levels of cash and undrawn committed long-term facilities available to the Group and the ABF group's directors' stress testing of cash flow forecasts through to 28 February 2026, and an assessment of any developments since that date that would adversely affect that conclusion. Accordingly, the financial statements have been prepared on the going concern basis.

Directors of the Company

The directors who held office during the period were as follows:

JL Edwards
AA Smith
EP Tonge
RG Cahill

Directors' Report for the period from 17 September 2023 to 14 September 2024 (continued)

Directors' indemnities

The directors have benefited from the Associated British Foods plc group Directors and Officers Insurance policy.

Health and safety

The Company and the broader group of which it forms part keeps its health, safety and environmental performance and levels of legal compliance under regular review and ensures that risk management controls are appropriate and effective.

Energy usage

The Company's energy usage information is included in the consolidated accounts of Associated British Foods plc. For further information, refer to the disclosures made in the Associated British Foods plc Annual Report for the year ended 14 September 2024.

Disclosure of information to the auditor

Each director has taken steps that they ought to have taken as a director in order to make themselves aware of any relevant audit information and to establish that the Company's auditor is aware of that information. The directors confirm that there is no relevant information that they know of and of which they know the auditor is unaware.

Reappointment of auditor

The auditor Ernst & Young LLP is deemed to be reappointed under section 487(2) of the Companies Act 2006.

Statement of Directors' Responsibilities

The directors acknowledge their responsibilities for preparing the Strategic Report, the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 101 Reduced Disclosure Framework (FRS 101).

Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether FRS 101 has been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Under applicable law and regulations, the directors are also responsible for preparing a strategic report and directors' report that comply with that law and those regulations.

Independent Auditor's Report to the members of ABF Overseas Limited

Opinion

We have audited the financial statements of ABF Overseas Limited (the 'Company') for the period from 17 September 2023 to 14 September 2024, which comprise the Income Statement, Balance Sheet, Statement of Changes in Equity, and related notes 1 to 14, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 101 Reduced Disclosure Framework (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the Company's affairs as at 14 September 2024 and of its profit for the period then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard as applied to other entities of public interest, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Company's ability to continue as a going concern until 28 February 2026.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report. However, because not all future events or conditions can be predicted, this statement is not a guarantee as to the Company's ability to continue as a going concern.

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information contained within the annual report.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in this report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report that fact.

We have nothing to report in this regard.

Independent Auditor's Report to the members of ABF Overseas Limited (continued)

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic Report and Directors' Report for the financial period for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic Report and Directors' Report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic Report and the Directors' Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of directors

As explained more fully in the Statement of Directors' Responsibilities set out on page 5, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Explanation as to what extent the audit was considered capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect irregularities, including fraud. The risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below. However, the primary responsibility for the prevention and detection of fraud rests with both those charged with governance of the entity and management.

Independent Auditor's Report to the members of ABF Overseas Limited (continued)

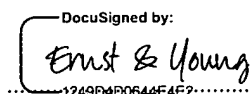

Explanation as to what extent the audit was considered capable of detecting irregularities, including fraud (continued)

- We obtained an understanding of the legal and regulatory frameworks that are applicable to the Company and determined that the most significant are the reporting framework (FRS 101 "Reduced Disclosure Framework" (United Kingdom Generally Accepted Accounting Practice), Companies Act 2006 and relevant laws and regulations in the UK.
- We understood how ABF Overseas Limited is complying with those frameworks by observing the oversight of those charged with governance, the culture of honesty and ethical behaviour and whether a strong emphasis is placed on fraud prevention, which may reduce opportunities for fraud to take place, and fraud deterrence, which could persuade individuals not to commit fraud because of the likelihood of detection and punishment. We corroborated our enquiries through reading board minutes and consideration of our audit procedures across the Company.
- We assessed the susceptibility of the Company's financial statements to material misstatement, including how fraud might occur by understanding which areas of the business present potential fraud risk areas (through assessing the presence of opportunities, incentives or potential rationalisation to commit such acts of fraud), understanding where these risks could present themselves and subsequently identifying the process level controls in place to prevent, or detect and correct them. Combining this with our consideration of entity level controls, which has evidenced management's behaviour and the culture embedded within the Company, we have gained a detailed understanding of the overall susceptibility to fraud.
- Based on this understanding we designed our audit procedures to identify noncompliance with such laws and regulations. We performed detailed testing around manual journals for identified fraud risks, corroborating transactions where necessary to underlying supporting documentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Use of our report

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Significant accounting policies for the 52 weeks ended 14 September 2024

Basis of preparation

Authorisation of the financial statements and statement of compliance with FRS 101.

The Company's financial statements are presented in sterling, rounded to the nearest million (£m), except where otherwise indicated. They are prepared in accordance with Financial Reporting Standard 101 Reduced Disclosure Framework (FRS 101) and the Companies Act 2006.

The Company has taken advantage of the disclosure exemptions permitted by FRS 101 in relation to financial instruments, capital management, presentation of comparative information in respect of certain assets presentation of a cash flow statement, standards not yet effective, impairment of assets and certain related party transactions. Where required, equivalent disclosures are given in the consolidated financial statements of Associated British Foods plc.

The Company has also taken advantage of the exemption under s400 of the Companies Act 2006 not to prepare group accounts as it is wholly owned subsidiary of Associated British Foods plc and its results are included in the parent company's consolidated financial statements. These consolidated financial statements are available to the public and may be obtained from Associated British Foods plc, Weston Centre, 10 Grosvenor Street, London, W1K 4QY. They are also available for download on the Group's website at www.abf.co.uk.

An exemption from the requirements of paragraphs 88C and 88D of IAS 12 Income Taxes has been applied.

Going concern

The Company has received a letter of support from its immediate parent company, ABF Investments plc, indicating that it will receive the financial and other support necessary for the Company to trade and meet its liabilities as and when they become due for a period of 12 months from the date of signing of these financial statements.

After making enquiries and considering the support available from the parent company described above, the directors have a reasonable expectation that the Company has adequate resources to continue in operation for 12 months from the date of signing of these financial statements. These considerations included the ABF group's directors' assessment of going concern (set out in the ABF Annual Report dated 5 November 2024 and available at www.abf.co.uk), which included the significant levels of cash and undrawn committed long-term facilities available to the Group and the ABF group's directors' stress testing of cash flow forecasts through to 28 February 2026, and an assessment of any developments since that date that would adversely affect that conclusion. Accordingly, the financial statements have been prepared on the going concern basis.

Foreign currencies

The Company records transactions in foreign currencies at the exchange rate at the date of the transaction, and translates monetary assets and liabilities in foreign currencies at the exchange rate at the balance sheet date, with any resulting differences taken to the income statement, unless designated in a hedging relationship, in which case hedge accounting applies.

Income tax

Income tax on profit or loss for the period comprises current and deferred tax. The Company recognises income tax in the income statement except to the extent that it relates to items taken directly to equity. Current tax is the tax expected to be payable on taxable income for the year, using tax rates enacted or substantively enacted during the period, together with any adjustment to tax payable in respect of prior periods.

The Company provides for deferred tax using the balance sheet liability method, providing for temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for tax purposes. The Company does not provide for the following temporary differences: initial recognition of goodwill; initial recognition of assets or liabilities affecting neither accounting nor taxable profit other than those acquired in a business combination; and differences relating to investments in subsidiaries to the extent that they will probably not reverse in the foreseeable future.

The Company bases the amount of deferred tax provided on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, using tax rates enacted or substantively enacted at the balance sheet date. The Company recognises deferred tax assets only to the extent that it is probable that future taxable profits will be available against which the asset can be utilised. The Company offsets deferred tax assets and liabilities if, and only if, it has a legally enforceable right to set off current tax assets and liabilities and the deferred tax assets and liabilities relate to income taxes levied by the same taxation authority on either the same taxable entity or different taxable entities which intend either to settle current tax liabilities and assets on a net basis, or to realise the assets and settle the liabilities simultaneously, in each future period in which significant amounts of deferred tax liabilities or assets are expected to be settled or recovered. The Company recognises income tax arising from dividend distributions at the same time as the liability to pay the related dividend.

As required by IAS 12, the exception to recognising and disclosing information about deferred tax assets and liabilities related to Pillar Two income taxes has been applied.

Financial assets and liabilities

The Company recognises financial assets and liabilities when it becomes a party to the contractual provision of the relevant financial instrument.

Trade and other receivables

The Company records trade and other receivables initially at fair value and subsequently at amortised cost. This generally results in recognition at nominal value less an expected credit loss provision, which is recognised based on management's expectation of losses without regard to whether or not a specific impairment trigger has occurred.

Trade payables

The Company records trade payables initially at fair value and subsequently at amortised cost. This generally results in recognition at nominal value.
